Dear Sir / Madam,

I am writing to recommend the services of Ahşap Ürün Sanayi. We worked with them on a detailed bedroom set for the Sleep + Eat Design Exhibition in London which was a great success. The knowledge and attention to detail that Ahşap Ürün Sanayi have aided in producing an exhibition stand that was very professionally executed to the high level expected from us. Their work ethos is wonderfully transparent and were an absolute pleasure to work with.

I feel confident in recommending the services of Ahşap Ürün Sanayi for design, technical detailing, drafting, design execution, coordination, organization, project management, delivery and build.

Ahşap Ürün Sanayi are not only thorough but also easy to work with and always willing to take the time to discuss development and respond to queries efficiently.

If you have any further questions, please feel free to contact me.

Regards,

Stuart Wilson

Senior Project Designer
